

## ONLINE REGISTRATION INFO

Space is limited. Early registration helps avoid class cancellations due to low enrollment.

**Register and pay for a class online—it's easy!**

1. Go to the searchable [WETRC Course Catalog](#)
2. Select a training course
3. Click to add the class to your shopping cart
4. When ready, click the "Register Now" button
5. Enter required information
6. Enter Visa or MasterCard information, submit and you're done!

\* All Purchase Order registration must be submitted by fax, phone or mail.

**NOTE:** Green River Community College Online registration is a **student-based** system where each student has a separate account with a unique Student Identification Number (SID) and a Personal Identification Number (PIN). If you have more than one student to register and don't wish to create multiple accounts, please fill-out and send us a Registration Form for each student or just send an email with your registration request. We will gladly complete all the registrations for you. Thank you for your cooperation.
