

Washington Environmental Training Center

WASHINGTON OPERATOR WORKSHOP

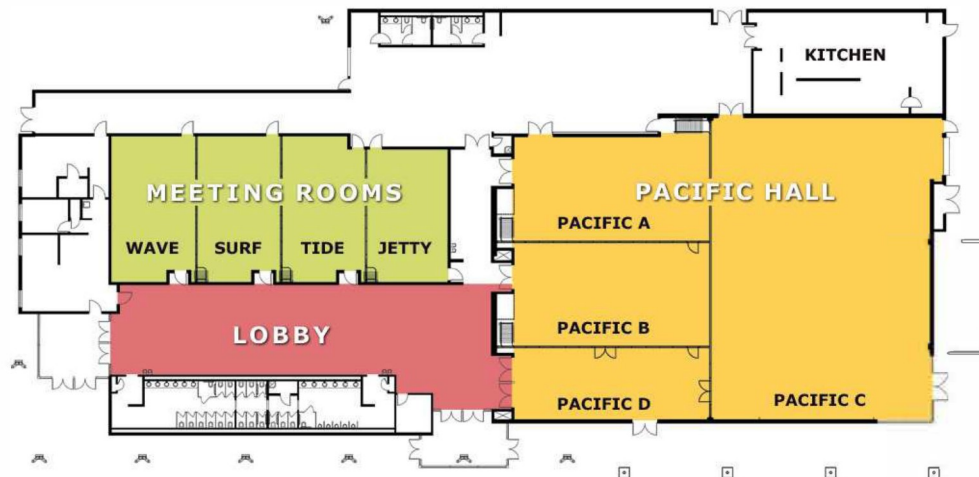

43rd Annual

The Workshop by Operators, for Operators!

Ocean Shores Convention Center, March 24-26, 2026

FACILITY LAYOUT

This is an overview of the facility. Please see the vendor hall layouts specific to WOW 2026 on the following pages.

Exhibitor Booths will be in Pacific Halls C & D. All food will be served in these rooms as well.

See instructions on Page 3 of this document regarding OVERFLOW LOBBY BOOTHS.

If you have questions about anything, please call Donna Venning at 253-288-3479 or email dvenning@greenriver.edu.

Exhibitor Hall Floor Plan—Pacific Halls C & D

You must go thru Pacific Hall D to get to Pacific Hall C.

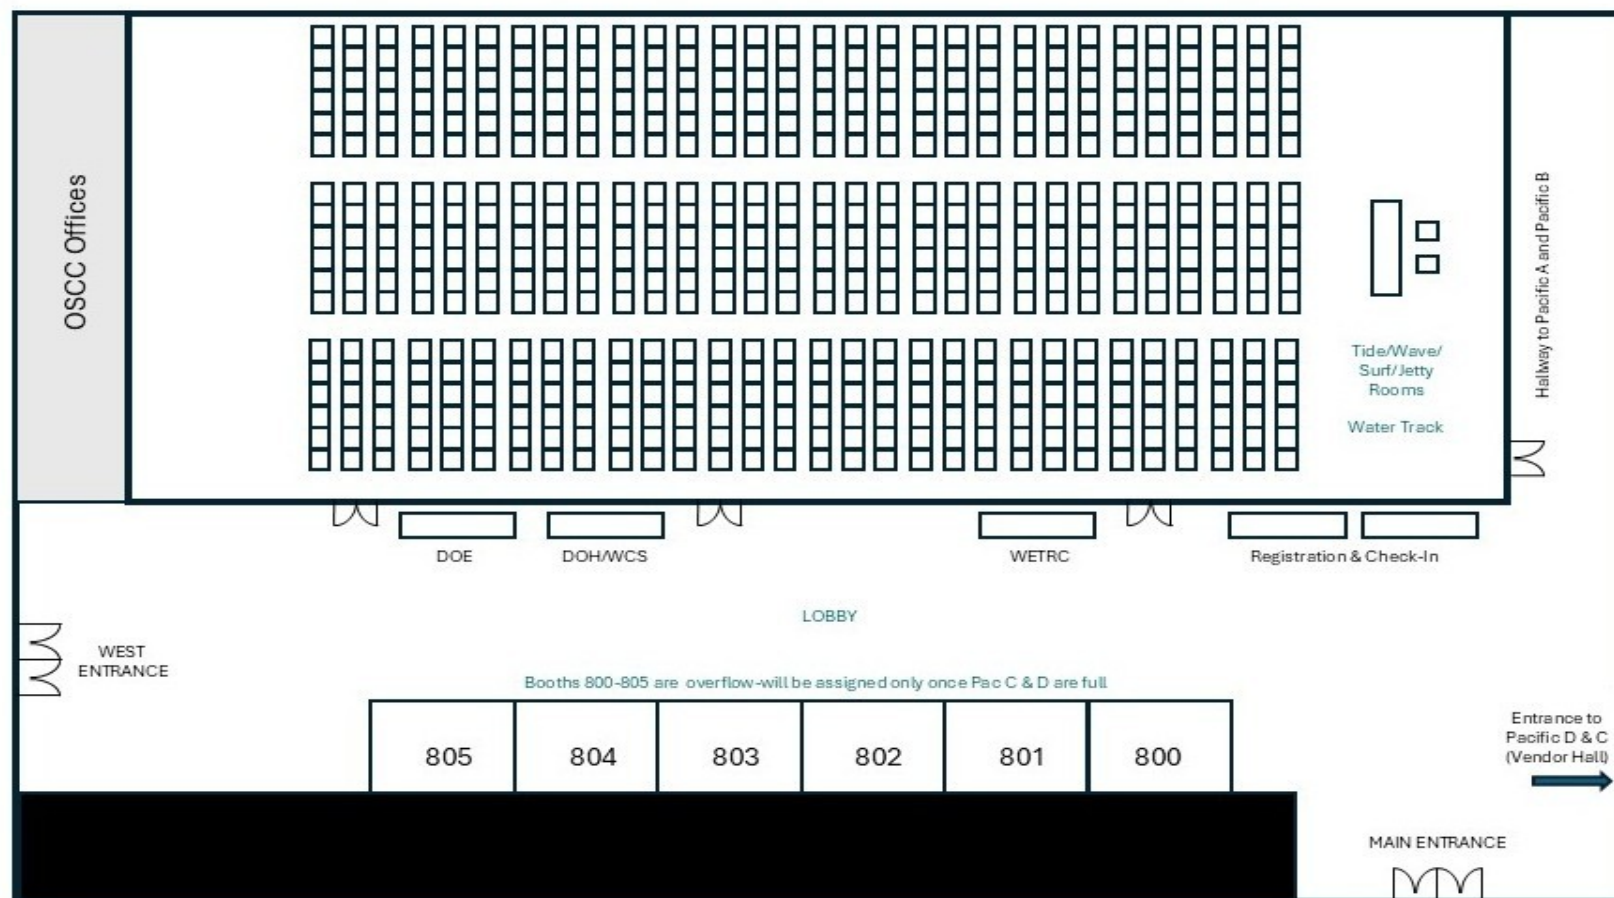

WOW 2026

Ocean Shores Convention Center

Lobby Floor Plan & Overflow Exhibitor Booths

LOBBY BOOTH ASSIGNMENTS:

Should booth space in Pacific C & D sell out, additional exhibitor booths #800-805 will be added in the lobby. These booths will not be assigned until all other booths are sold. However, we will still honor priority registrations for those spaces. If a lobby booth is your preference, indicate that as your *first* choice on your registration form, but also put selections in Pacific Hall C & D as your 2nd—4th choices. You will be assigned to a booth in Pacific Hall C & D first; you will be moved to the Lobby booth if we sell out the exhibitor hall and need to open additional booths.

Call Donna Venning at 253-288-3479 with any questions about exhibitor booths!
