## PHONE REGISTRATION INFO

Class space is limited; early registration is suggested. Early registration helps avoid class cancellations due to low enrollment.

**Register over the phone using Visa, Mastercard or Purchase Order #. Call:**

- 253-288-3369

**NOTE:** Green River College Online registration is a **student-based** system where each student has a separate account with a unique Student Identification Number (SID) and a Personal Identification Number (PIN). If you have more than one student to register and don't wish to create multiple accounts, please fill-out and send us a Registration Form for each student or send an email with your registration request. We will gladly complete the registrations for you. However, to do so, we will need the following information for each registration:

- Name (First, Last)
- Address (can be the company's address)
- Phone (can be the company's phone)
- Email (this is the email where ALL COMMUNICATION regarding the class will go. You can use the office/admin email for the operator, but be aware that the individual student will not receive class communications, so it will be your responsibility to pass the information to them.)
- Birthdate: Must be the employee's unique birthdate
